Greenways Primary Academy

Tuesday 3rd September 2024

Dear parents/carers,

Re: Welcome back from Miss Garside

A very warm welcome back to the start of the new academic year! I hope you and your families have had a wonderful summer break and the children are excited to return to their new class. A special welcome to new pupils and parents; I hope you will be very happy at Greenways.

As we begin this new school year, our focus remains on providing a safe and nurturing environment where every child can thrive and be the best that they can be. We value the partnership that we have with you as parents and guardians and this is crucial in ensuring your child succeeds and enjoys their time at school. You should have received our autumn term events calendar this week where you can see the range of events and activities that we already have planned for the children and we look forward to welcoming you into school for workshops and events too.

Being part of Windsor Academy Trust provides us with a strong foundation as one learning organisation which is underpinned by a clear set of values which are well embedded in our school community. All children today have been reminded of the ASPIRE Values of being: respectful, responsible, resilient, creative, compassionate and courageous. These values are used in our daily practice with the children and support us in creating the culture at ethos that we have at Greenways. As you know, our dedicated staff work hard to ensure our curriculum offer is enjoyable, yet challenging to enable your child to reach their full academic and personal potential. We have the WAT Primary Games in a few weeks and I am excited as Executive Headteacher across both Greenways and Milton, to cheer our children on and continue to provide these exciting opportunities.

Over the summer holiday I am excited to announce that Mr Brown became a dad for the second time. Mr Brown and his partner welcomed Matilda into the world on the 9th August and both mum and daughter are doing very well. Mr Brown will be on paternity for the rest of the week but he looks forward to seeing you all next Monday. Congratulations to Mr Brown and his family.

I hope that you and your child/ren have a brilliant first week back in school and please feel free to reach out to us with any questions or concerns you may have.

Warm regards,

Miss J Garside

Executive Headteacher
