## Our Approach to Teaching PE.

At Greenways Primary Academy, our mission is to challenge each child to reach their full intellectual, creative and physical potential through a fully integrated curriculum. We encourage children to become independent life-long learners by developing intellectual curiosity, a thirst for discovery and achievement, a sense of understanding and compassion for others and the courage to act on their beliefs. We strive to create a diverse community that fosters mutual respect and social responsibility, enhanced by a strong partnership between home and Greenways Primary Academy.

Our PE curriculum aims to ensure that all pupils develop the fundamental skills and competence to excel in a wide range of physical activities by providing a broad and balanced curriculum with opportunities for all to be enjoyed. A high quality PE curriculum will develop physical literacy and will allow pupils to learn about themselves, the importance of a healthy lifestyle, self-expression and concepts such as fair play and respect. It also contributes to the development of a range of important cognitive skills such as decision-making and analysis, and social skills such as teamwork and communication.

A high quality physical education curriculum can inspire all pupils to succeed and excel in competitive sport and other physically demanding activities. We are improving our programme of intra and inter school competitions, which will provide opportunities for pupils to participate in competitive sports and activities both in and beyond the curriculum.

Our mission is to improve and increase the quality and quantity of high quality PE for pupils, to show how PE can enhance pupils' attainment and achievement and to create pathways for them to continue to be active beyond school. We will be developing our links to outside agencies and clubs, which will help to generate positive interaction in the community.

### Aims

In order to promote active and healthy lifestyles all children should:

- be physically active
- adopt the best possible posture and appropriate use of the body
- engage in activities that develop cardio vascular health, flexibility, muscular strength and endurance
- understand the need for personal hygiene in relation to vigorous physical activity

In order to develop positive attitudes all children should:

- follow the conventions of fair play and honest competition
- cope with success and limitations in their performance
- persevere with and consolidate their performances
- be mindful of others in their environment

## **Curriculum**

The areas of physical activity (games, gymnastics, dance, athletics, swimming and outdoor activities) are set out in the Foundation Stage Curriculum and National Curriculum 2014. The PE curriculum at Greenways Primary Academy is based on these requirements and is detailed on the year planner.

Each year group will learn PE in accordance with the long term planning. This will ensure continuity and progression through the academy in order to continue to improve standards in PE. Our PE coverage can be found on our website.

- Informally during the course of teaching through observation
- At the end of each unit of work teachers to complete pupil assessments in order to update the children's attainment and progress in that area of PE.
- These are used to assist in reporting to the parents and passed on to the following class teacher
- To inform future planning

### **Inclusion**

In line with our inclusive approach, PE activities are differentiated to meet the needs of each pupil.

**More Able and Talented** pupils and children with **Special Educational Needs and Disability** will be identified through a range of activities. Their needs will be met through the development of individual or group programmes that encompass a range of learning styles and are designed to enrich the curriculum.

### **Equality**

Teachers will ensure that all pupils have fair access to the PE curriculum, regardless of gender, race, or ability, in accordance with the trust Equality Policy.

### **Health and Safety**

Everyone has a duty under health & safety guidelines to ensure PE activities are carried out with due regard to the safety of staff and pupils in line with trust Health & Safety Policies.

- Staff should carry out risk assessments with the children at the start of all PE lessons.
- All equipment, apparatus and environment should be checked before the start of every lesson by teacher and is the responsibility of the teacher
- Children should be given health and safety guidance through the lesson
- All jewellery and watches should be removed and stored safely before each lesson
- If children wear stud earrings they should be taken out by the child. If this is not possible, the child should be given tape/plasters to cover their earrings. Children must place and remove the tape independently
- All long hair should be tied back
- Suitable clothing should be worn for each lesson. Children should not engage in physical activity without correct kit
- For indoor PE, children should walk to the hall with suitable footwear on (pumps/trainers or school shoes)
- All children taking part in indoor PE should be bare foot or suitable footwear for indoor PE (pumps not trainers)
- For gymnastics when the apparatus is being used suitable footwear should be worn (pumps or barefoot only)
- All children with verrucas should wear pumps
- Children who do not have a PE kit will take part in the lesson as an observer rather than a participator. Parents will be informed after two consecutive occasions of no PE kit.
- Every child must have an academy PE kit. They should come to school dressed in their school PE kit on their allocated PE day.

When travelling to sporting activity, the appropriate risk assessments are completed and the followed issues addressed:

- All children wear seat belts
- All supervising adults to be aware of risk implications
- All supervising adults that attend swimming to hold a current DBS
- All transporting adults to be fully insured

- Parents permission for taking children off the academy site obtained
- Parent permission for children to be transported by other parents
- After school competitions - children to be transported by their parents or a responsible adult who the child's parents have given permission. The academy to be informed.

Safe-practice standards are consistently applied by staff, students and other visitors, across all aspects of the academy.
